Please refer to the [Sport Medicine Australia—Preventing Dental Injuries in Sport](#) and the [Australian Dental Association Sports Mouthguards recommendations](#) in order to make an informed decision about which mouthguard is most suitable for your child.

If your child is unable to wear a mouthguard for medical reasons, then a **medical certificate or letter signed** by the student's treating doctor is required **prior** to your child participating in this representative school sport event.

If you have any issues regarding purchasing a mouthguard, please contact the Team Manager and/or your school's principal.
